

CAT NIP BUNDLES

Here's an easy-to-make toy that your cat will go crazy for - just follow these steps:

Cut a square of fabric that's about as wide as your hand.

Place a spoonful of catnip in the centre.

Bring the edges of the fabric together to make a bundle.

Tie a piece of string around the bundle - make sure that it's tight and won't come untied. Ta da! You made a simple stuffed cat toy.
